Helmet Stabilization System

Enhances performance through a better fit, creating the most comfortable helmet we've ever built. The Helmet Stabilization System frames your face and gives you a secure, "locked in" feel inside your helmet.

Features all-new cheek pads made from "player preferred" performance material that's comfortable, breathable and washable.

Features external cheek bumpers that reinforce the ear flap and can be fully customized in any color.

Unique Pad System

Three sizes of interchangeable Crown Pads included with each helmet.

All-new front pad design utilizes materials found in firefighters' helmets that improves performance, comfort, durability and moisture management. Enhances performance through better fit.
